

“I care.”

At Custom One Homes, giving back is one of our core values. We prioritize cultivating connections with our clients, collaborators, and the greater community. Since 1983, we've hosted family-friendly events, supported local school and sports teams, and partnered with local philanthropic organizations.

Our team takes pride in not only building homes but also building generosity and crafting kindness in our own backyard. We look forward to supporting the Woodbury Community Foundation and the Woodbury Cares initiative for years to come as we work together to make our community a better, more compassionate, place to live.
