

# “I care.”

**W**oodbury is a neighborhood I've called home since 1980. I have an enormous amount of pride in this exceptional community. I am committed and grateful to be giving back to the community that has provided so much for me and my family. I believe giving back is one of the greatest life lessons we can teach our children. It is a privilege to be part of the Woodbury Community Foundation, and its Woodbury Cares initiative that deeply cares about strengthening our neighborhoods, supporting the community while acting as an instrument for providing life-changing opportunities for its residents.
