

“We care.”

“It is no accident that Prelude Memory Care Cottages launched our unique memory care concept first in Woodbury in 2010. Faith, family, care and community are hallmarks of our work and align tightly with the Woodbury community and the Woodbury Community Foundation.

Through the Foundation we are inspired as we witness leaders exhibiting genuine concern and action on behalf of Woodbury residents of all walks of life. It is a privilege to be a part of this great community and to work together with the Woodbury Community Foundation”.

Phil Dommer, President

The Woodbury Community Foundation knows that there are many ways that people and businesses in Woodbury show that “We Care”. Whether it’s volunteering for local organizations or making a donation to support your favorite cause, you and our neighbors are making Woodbury a better place to live, work, and play – every day. The Woodbury Community Foundation is showing that we care by raising money and giving it away within our own community to help feed the hungry, develop healthy youth and teens, promote personal wellness, improve public safety, and addressing the most critical issues we face in Woodbury.

You can help us make a difference in Woodbury! Show that you care and share your personal story of why you do business in or live in Woodbury by reserving a Woodbury Cares ad today. Take advantage of this unique partnership between the Foundation, the Woodbury Magazine, and our local community.

For your Woodbury Cares contribution, you will receive a full-page or half-page ad with a message of your choice, along with a display of your photo, website and phone number. Your ad will also clearly display the “Woodbury Cares” logo, which you can also post to your website as an official Woodbury Cares partner.

For a personal invitation and to learn more, please contact Lori Nelson, Executive Director.
