

“I care.”

The definition of community is a feeling of fellowship with others as a result of sharing common attitudes, interests and goals. The Woodbury Community Foundation embodies this definition. For more than 15 years, I have had the honor to be part of this community, to see and to contribute to its future.

I am proud to partner with the Woodbury Community Foundation and its Woodbury Cares initiative because together we are making our community a great place to live, work and play for generations and generations to come.
