We know this has been a tough time for everyone in our community. That's why Woodbury Community Foundation is teaming up with the City of Woodbury, Woodbury Chamber of Commerce, and great sponsors to bring our community some family fun - while also providing visibility and support to our local businesses and nonprofit organizations. "You've Got a Friend in Woodbury" is a new campaign designed to support our kids, our residents in need, **AND our local businesses.** COVID-19 has taught us - *sometimes we all need a friend.*

Please join us as we kick-off our Friends campaign with a "Reverse Parade" to help welcome kids back to school - in the classroom or at home - as they face another uncertain year.

- **FREE** - Contribute hand-outs, candy, flyers, coupons, freebies to our Swag Bag that will be handed out to every vehicle as they end the parade!
- **FREE** - Contribute your own logo bags to help us get to 1,000 bags, for added visibility!
- **FREE** - Your business will be linked on our website when you contribute to the Swag Bag!
- **For just \$100** - You can also get a sign at the event with your logo -and other sponsorships are also available to get visibility throughout our entire 4-month campaign!
